**M**attias Andersson back on the podium

Mattias Andersson in the Dacia was second in the final STCC race at

Falkenberg. To RENOTES he said: "Glad to be back on the podium; now I'm hoping for a good autumn". In the second race, he made a great start and flew to the lead, and he built up a big gap. But his lead disappeared when the safety car came out. At the restart Andersson lost one place. "I

wanted to be on the podium, and second place is a good result for the Dacia Dealer Team", said the friendly driver from Sweden. We wish Mattias all the best for the remaining rounds in STCC.

**D**uster ready for the 'Cape to Cape'

'Care 4 More' is a non-profit organisation, which is dedicated to the lives and welfare of disadvantaged children in areas such as health, education and prevention. During the 'Cape 2 Cape' two months' mission, three ambassadors will cover 18,000 kms from Norway's North Cape to South Africa's Cape Town in a car and the event will support seven local charities. The car in question is a beautiful Dacia Duster, which has been provided by the Dutch Renault and Dacia dealer, Oving, and the company's CEO, Bert Oving and his team wish the participants a successful journey in the Duster.
